

Dear Valued Customer:

Thank you for choosing Hagerty for your collector vehicle insurance needs. We're glad you've chosen to ride with us and believe in providing all of our customers with comprehensive information about their insurance policies so they can make the best choice for their needs. For this reason, we want to let you know about a change in Essentia Insurance Company's practices that may affect how your premium is determined in the future.

Hagerty and Essentia want to make sure we provide you with quality services at competitive prices and regularly gather information to assist us. For example, we may order consumer reports, such as motor vehicle reports, from various reporting agencies. These reports may assist in determining your eligibility or rates you are charged.

In the future, we may obtain or use additional consumer reports, including your credit-based insurance score, to assist us in updating or renewing your insurance. Using an insurance score is one of the ways in which we can ensure that you get a rate that best matches your personal and unique circumstances. Your insurance score is based on information contained in your credit report and a third party may help us develop it.

In this day and age, privacy is a very real concern. We take your privacy very seriously. Your personal information is kept private and secure and only shared with relevant third parties. You can rest assured that we do everything we can to protect your personal information.

If you would like to learn more about our privacy standards, please refer to the enclosed privacy policies.

If you have questions or need additional information, please contact one of Hagerty's licensed agents at 800-922-4050 or email [auto@hagerty.com](mailto:auto@hagerty.com). To better serve you, our office is open seven days a week. Again, thank you for choosing Hagerty for your collector vehicle insurance needs.

Sincerely,

Hagerty Insurance Agency, LLC.
